

14-Nov-2022

Neighbourhood : Lardeau

Congratulations!

FireSmart™ Canada is pleased to inform you that your neighbourhood is approved as a Recognized FireSmart Neighbourhood.

By working together, the residents in your neighbourhood have demonstrated what can be achieved through the strength of community. Well done!

It is our hope that this recognition offers inspiration and encouragement for your neighbourhood to continue to participate in FireSmart activities that will increase wildfire resilience.

Your Local FireSmart Representative will work with your FireSmart committee to set a date for your official recognition day, at which time your neighbourhood will be presented with a 2022 Recognized FireSmart Neighbourhood sign or an updated year sticker, to proudly display as a symbol of community achievement.

Best Regards

FireSmart Canada
